

**RFP-5-34
ATTACHMENT E**

Pricing

This attachment must be submitted with the respondent's proposal.

Pricing and Charges

The State requests the pricing associated with this RFP be a firm proposal price that must remain open and in effect for a period of not less than 180 days from the proposal due date as well as any extensions agreed to in the course of contract negotiations.

It is the State of Indiana's intent to award recycled paper unless it is not available. It is the vendor(s) responsibility to list by line item if the product requested is available in recycled content or not. The award of each contract line item will be based on what is in the best interest of the State.

The State of Indiana also desires to reduce the use of chlorine in the products it purchases to protect the environment from pollution. The State is requesting prices on product(s) that are high in recycled content and product(s) that do not use chlorine or chlorine containing compounds in its manufacture. Although processed chlorine free (PCF) paper is not a requirement, it is highly desirable. The definition of PCF applies to recycled papers that are processed without using any elemental chlorine or chlorine containing compounds. If available, prices are desired on both products for price comparison. Every item must be
